

"From start to finish, it was a wonderful experience. My students got a lot out of the program and even those who have always complained about work, loved doing this project. I can't tell you how many parents have expressed their approval of this program."

K.P., Teacher, South Plainfield

About Celebrate NJ!

Celebrate NJ! offers this no-fee program to all schools in New Jersey because we believe that the Garden State has much to be proud of, and we seek to instill that pride in each of the thousands of students who participate in the program every year.

We are a 501(c)3 non-profit organization and we fulfill our mission through the creation of educational programs and initiatives that promote and preserve the best of New Jersey.

To learn more about us or to support our work with a tax-deductible donation, visit www.CelebrateNJ.org or call 732.333.0462.

4th Grade School Program

**Make New Jersey Studies
Come Alive for your Students!**

Attention: 4th Grade Teachers and Media Specialists

Register by December 15th at www.CelebrateNJ.org

Celebrate NJ! School Program

How It Works

Students choose from six “Jr. Editors” and contribute articles that they research and write to an online newspaper by and for New Jersey’s Fourth Graders.

They choose the subjects based on their interests in one of these categories: New Jersey travel, sports, science and technology, arts and entertainment, business or people in the news.

This no-fee, online program includes writing assignments, enhanced research resources for students, teachers guidelines, a welcome kit and classroom tools.

Teachers submit the six best articles for judging in a statewide writing contest. We celebrate those students whose work is chosen at “Best of the Best” awards events and all participating students at baseball game nights.

An exciting way to teach...

Celebrate NJ! reinforced so many important skills: reading, writing, history, critical thinking, oral presentation and computer application. The students enjoyed it so much that they came in after school and during free time. It was truly a worthwhile program.”
— S.N., Media Specialist, New Milford

Program Features

- **Curriculum-based learning**
- **Online step-by-step instructions for students**
- **Expanded teacher and student resources**
- **Statewide contest and awards program**
- **Celebration events for all students in the program**
- **Flexibility including creative class projects**
